All the industries in the
world have one thing in
common; CEAT Specialty!

AGRI SHOWS AND EVENTS

CEAT X CAMSO

LEADERSHIP
MEET-UP, INDIA

We made a monumental decision by acquiring CAMSO while hosting the senior management of Michelin Tyres.

BOBCAT

AMBERNATH PLANT
VISIT, INDIA

BOBCAT visited our manufacturing plant in Ambernath, and their visit added immense value with insightful discussions.

TECHNOLOGY DAY

ORGANISED BY
CEAT SPECIALTY, INDIA

Hosted at Escorts Kubota, the unveiling of Galileo and VARDHAN R85 Radial Tyres was a marvel at Technology Day. It was filled with conversations that sparked keen interest in the world of tyres.

Another Technology Day, hosted at John Deere this time had the newly launched Vardhan Radial, and our well-established Puddle Tyres. Their team showed strong interest & focus on advanced tyre technologies of I Tyre and Galileo Tyres.

EXPOAGRO ARGENTINA

We were proud to be a part of one of the biggest agro-industrial expos in the world, with CEAT Specialty exhibiting its latest creations to various agricultural professionals and producers.

CUSTOMER VISIT

AMBERNATH PLANT, INDIA

Our valued customers recently visited CEAT Specialty's Ambernath plant, where they had the opportunity to witness the meticulous process behind the making of our radial tyres.

EXPODIRETO COTRIJAL

BRAZIL

As one of the largest international agribusiness fairs, that is focused on technology and business in the world of agriculture, CEAT Specialty Tyres presented their best machinery forward. The discussions on agricultural and rural implements ignited a spark of innovation and curiosity, which truly was a sight to behold.

SHOW RURAL

COOPAVEL

As the official tyre partner of Show Rural Coopavel, CEAT Specialty put its best tyre forward among the big names of the agricultural industry.

TIRE TECHNOLOGY

EXPO, GERMANY

Tire Technology Expo was a marvellous event with intense debates on sustainability, tyre manufacturing, design, and more, with Sustainmax taking the centre stage.

COOPER SHOW

EXPO, BRAZIL

It was here that we experienced cutting-edge technology in the tyre industry, making treads of innovation and leading the way towards a future of opportunity.
